Email: _____

Order Number or User ID: _____

****DO NOT RETURN INJECTOR CORES WITH VP44 PUMP CORE. IF YOU DO, INJECTOR CORES MAY NOT BE ISSUED CREDIT.**

Note: International shipments sent through carriers that charge brokerage fees will be deducted from customers core refund. (Approximately \$35.00)

For more information or if you have any questions please email [Cores@DieselAutoPower.com](mailto:cores@dieselautopower.com) or call **801.927.4600**

CORE RETURN POLICY:

1. Cores **MUST** have Bosch bodies.
2. **ALL INJECTOR CORES MUST BE RETURNED IN ORIGINAL PACKAGING.**
3. Cores must be returned within **30 days** from the order date to be eligible for full credit.
4. Cores received **AFTER 30 days** will only be eligible for **HALF** credit.
5. Shipping address: See Above.
6. Include a completed copy of this form and a copy of your invoice with the core return. Any cores returned without this form and related paperwork may be assessed a penalty.
7. Cores must be drained of all fluids, reasonably clean, bagged, and securely packaged for shipping.
8. Insure and ship the package to Diesel Auto Power, freight prepaid. Our receiving department is unable to receive freight collect or C.O.D. shipments.
9. Cores are subject to inspection upon arrival. All cores must be returned in re-buildable condition as determined by manufacturer to receive full credit. Cores may be refused or receive reduced value if there is physical damage, fuel contamination, seized components, are disassembled, etc. Refunds are issued in the same form as the payment was received to avoid processing fees.
10. Once cores are returned and processed, they become the property of Diesel Auto Power. In the event that the customer requires cores to be returned, a re-buildable core will be withdrawn from our core bank. It may or may not be the original core which is returned.
