INJECTOR TESTING FORM

THIS FORM MUST ACCOMPANY ALL INJECTORS SENT IN FOR TESTING

INJECTOR TESTING POLICY

1. **CLEARLY LABEL THE OUTSIDE OF THE BOX WITH "INJECTOR TESTING". IF INJECTORS ARE NOT PROPERLY LABELED, THEY MAY BE PROCESSED AS CORES. INJECTORS THAT ARE PROCESSED AS CORES FOR FAILURE TO PROPERLY LABEL THE BOX AND INJECTORS ARE NON REFUNDABLE. A SET OF REBUILDABLE CORES WILL BE AVIALABLE TO THE CUSTOMER.**
2. Include a completed copy of this form and a copy of your invoice with the injectors. **Any injectors received without this form and related paperwork may be processed as cores and have additional lead time.**
3. **OPTIONAL:** Label each injector as to which cylinder it corresponds to.
4. Injectors must be drained of all fluids, reasonably clean, bagged, and securely packaged for shipping.
5. Shipping address: See Above
6. Insure and ship the package to Diesel Auto Power, freight prepaid. Our receiving department is unable to receive freight collect or C.O.D. shipments.
7. Testing usually takes 3-5 business days after being received.
8. Upon completion of testing, you will receive a phone call from Diesel Auto Power to discuss the results of testing.
